

Living Expenses \$9,010.

Via a Paywise card

Paywise makes your life easy by supporting you in salary packaging general living expenses such as groceries, bills, clothing and much more.

Packaging Living Expenses with a Paywise card is an easy way to save on the general household costs you are accustomed to and spend more time focusing on the important things in life, your family.

REDUCE YOUR INCOME TAX & INCREASE YOUR DISPOSABLE INCOME.

What you need to know...

The Paywise card* enables you to package most of your living expenses, such as electricity, gas, water, shopping, holidays, electrical goods, even haircuts.

No need to keep invoices...

Using the Paywise card, means you do not have to retain invoices and all expenditure on the card is tax compliant.

No need to submit invoices for reimbursement...

Using the card means you do not need to submit any claims to Paywise for reimbursement, making it more convenient for you.

Fund available within 48 hours...

Your fortnightly contribution is transferred to the card and available to you within 48 hours of Paywise receiving the contribution from your employer. You can view your current balance through the Paywise Member Portal anytime.

Get your account balances online...

Access your live account balance and card transaction history via your member portal.
